Welcome to our 2027 Brochure

First of all, thank you! Thank you to all our wonderful customers who have travelled with,us over the years, recommended us to friends and family, and continued to support our family-run business.

As we look ahead to 2027, we're delighted to bring you another exciting programme of day excursions, along with the return of our short breaks.

A little change, but the same Egan's you've always known...

You may notice that we're starting to use our family business name, Egan's Coach Travel Limited, rather than our familiar trading name, Kings Norton Coaches - Don't worry – it's still us!

We are simply bringing the business back under our family name, Egan's. So, if you phone us and someone answers "Egan's Coach Travel", you'll know you've reached the same friendly, family-run coach company you've travelled with and trusted for many years.

Our story began way back in 1989 in Kings Norton, and 38 years later we're still proudly family-run and continuing to grow. While our name is changing, our commitment to friendly service, reliable coaches and great days out remains exactly the same.

Excursions, favourites & new adventures
We've listened carefully to your requests and suggestions when putting together this year's programme.

You'll find lots of new places to discover, alongside many of your old favourites – including some popular trips that are making a welcome return. Whether you enjoy gardens, shopping, seaside days, railways, attractions, special experiences, lunches or simply exploring somewhere new, we hope there's something in our 2027 programme that catches your eye.

And remember, if there's somewhere you'd love us to visit, we're always happy to hear your suggestions!

Short breaks are back!
We're also delighted to be bringing back a small selection of short breaks.

We've deliberately started with a smaller programme while we build this side of our business back up. We are already looking ahead to 2028, when we're hoping to introduce a much larger selection of short breaks and give you even more opportunities to travel away with us.

More coaches & more joining points
We've also continued to invest in our business, with new vehicles joining our fleet to help us provide the comfortable and enjoyable journeys you've come to expect.

For 2027, we've also expanded our joining points with the introduction of Route 2 – our new Bromsgrove route, providing additional collection points around Bromsgrove and surrounding areas.

Route 2 is a separate route from our original Route 1, which continues to serve South Birmingham and (part of) the Black Country.

We hope these additional joining points will make it even easier for more of you to come along and enjoy a day out with us.

So, where will we take you in 2027? We hope you'll find plenty to tempt you within these pages.

Whether you're a regular traveller who has been with us for many years or you're considering joining us for the very first time, we'd love to welcome you aboard.

We are incredibly grateful for your continued support, and we never take it for granted. Every booking, every recommendation and every friendly "hello" when you board our coaches means a great deal to our family and our team.

So, sit back, browse through the brochure and start planning your next adventure.

We look forward to welcoming you aboard our coaches throughout 2027.

From our family to yours – thank you for travelling with Egan's.

Egans Coach Travel Limited

Family-run since 1989

PLEASE NOTE:

As we continue to build our new Bromsgrove Route 2, some excursions and short breaks may use a feeder minibus/coach to connect with the main coach at a convenient changeover point.

On some trips, particularly where passenger numbers are lower or a connection with the main coach isn't practical, we may operate the **whole excursion using one of our smaller mini-coaches.** This allows us to keep trips running rather than having to cancel due to lower numbers.

We hope that, as Route 2 grows, we will be able to operate a coach directly from Bromsgrove on every trip without the need for a feeder service.

Thank you for your patience and understanding while we build our new route – we really appreciate your support!

Just some perks of choosing Egans Coach Travel...

OUR CUSTOMER LOYALTY SCHEME

A Little Thank You!

- **Redeem in blocks of 250:** *Rewards can only be redeemed in multiples of 250 points. Every 250 points gives you another £10 off!*

Already a customer?
Make sure you're enrolled!

New customers are automatically enrolled in our loyalty scheme, but existing customers need to be enrolled manually. When making your next booking, please check with our office that you're signed up so you don't miss out on earning rewards.

It's our little way of saying thank you for being part of the Egans Coach Travel family. The more you travel with us, the more rewards you can enjoy!

BOOK NOW, PAY LATER

Secure your seat with a small deposit!

We know how much you love travelling with us, and with so many exciting 2027 excursions and short breaks to choose from, you may want to book early and secure your seat without having to pay the full amount straight away.

That's why we offer our Book Now, Pay Later option.

For most excursions:
Simply pay a **£10 per person deposit** when you book, with the remaining balance due **28 days (4 weeks) before departure.**

Some particularly popular excursions, or trips including higher-priced tickets or attractions, may require a slightly higher deposit. This will be clearly shown when booking.

For short breaks:
Pay just a **£50 per person deposit** when you book, with the remaining balance due **56 days (8 weeks) before departure.**

It's an easy way to secure your seat now and spread the cost, giving you plenty of time to pay for your trip.

Booking close to departure?
If your excursion is within the 28-day payment deadline, or your short break is within the 56-day payment deadline, full payment will be required when booking.

So, if you see something you love, book early, secure your seat and worry about the balance later!

THE LUCKY BUM PRIZE DRAW!

You could be sitting on a winner!

One of our most popular little extras in 2026 is back for 2027 – our Lucky Bum Prize Draw!

On selected excursions and short breaks, your driver will randomly pull a seat number from a bag during the trip.

If the number drawn is the seat you are sitting in... YOU'RE THE LUCKY BUM!

The lucky winner will receive an Egan's Coach Travel Gift Voucher, with prizes of up to £25 available.

There's nothing to buy and nothing extra to enter – it's simply a bit of fun and another little thank you from us to our customers.

It's exclusive to Egan's Coach Travel – so you never know, your seat could be the lucky one!

Pick-up Timetables

INTRODUCING EARLIER PICK-UP TIMES. Following the popularity of some of our longer-distance excursions in 2026, we've introduced a couple of earlier pick-up codes for selected trips. This follows feedback from passengers who would prefer to arrive at their destination earlier, rather than around lunchtime or just after. The earlier departures should also help us avoid some rush-hour traffic and allow us to set off for home a little sooner, getting you back home earlier too. We hope this small change will give you even more time to enjoy your day out!
